

THE LAW FIRM WEB DESIGN EXPERTS

If you'd like an effective and professional web site for your law firm, it's critical to work with a web agency that possesses not only vast knowledge of how law firms do business and connect with new clients, but also broad experience and a positive track record working with other law firms.

Business Edge has both the requisite experience and the track record. We have been designing creative, usable web sites for law firms of all types and sizes - over 50 in all - since 1995.

OUR CLIENTS ARE LAW FIRMS THAT YOU'VE HEARD OF

Our past and present clients are law firms you've worked with, and law firms with which you've competed. They are located in your area, from Boston to Miami and in the Midwestern U.S. Our clients remain with us year after year not only because of our first-rate service, but also because of our Internet expertise and marketing guidance.
